GOV'T WATCH

Serving and Protecting the Filipino Consumer

GOV'T WATCH CHAIR CALLS FOR THE IMMEDIATE CONVENING OF THE DOE AUDIT TEAM

Gov't Watch Chairman & DOE Audit Team Representative for the Consumer Group Raul Concepcion is calling for the immediate convening of the DOE Audit Team considering the relentless Oil Price Hikes due to the unrest in the Middle East and Nigeria.

Mr. Concepcion pointed out that **DOE needs to clarify the terms of reference, duties and responsibilities of the Audit Team** that will be required of them before finally accepting the post assigned to them respectively by DOE.

This request for clarification is vital considering the **DOE Audit Team is composed of an independent group of respected people with unquestionable integrity.** They are:

1) Former Budget Secretary – BENJAMIN DIOKNO
2) Gov't Watch Chairman – RAUL CONCEPCION
3) Former NEDA Chief – SOLITA MONSOD
4) University of the Philippines – Dr. RENE AZURIN
5) Economist – Dr. VIC ABOLA
6) Accountant – TAMMY LIPANA
7) Transport Group 1-UTAK Rep. – Atty. VIGOR MENDOZA

Auditing the Books of the Oil Companies is of utmost importance because it will help CONGRESS to propose amendments in the Oil Deregulation Law or related legislative bills on oil regulation.

Gov't Watch shows the fact that the **Chapter III of the OIL DEREGULATION LAW entitled, ANTI-TRUST SAFEGUARDS, OTHER PROHIBITED ACTS AND REMEDIES, Section 11, states:**

ANTI-TRUST SAFEGUARDS – to ensure Fair Competition and prevent Cartels and monopolies in the industry.

The penalties under this prohibition states that any person, including but not limited to the COO, CEO, or CFO who is found guilty of any of the said prohibited acts shall suffer the penalty of three (3) to seven (7) years imprisonment, and a fine ranging from ONE MILLION PESOS (Php 1,000,000.00) to TWO MILLION PESOS (Php 2,000,000.00).

Base on this, **the OIL DEREGULATION LAW is defacto a REGULATED LAW.**

RAUL T. CONCEPCION
Chairman

Your comments or suggestions on this issue are important to us:

Do you Agree or Disagree that the DOE Audit Team must CONVENE IMMEDIATELY especially as Oil Price increases have been made four (4) times this month?

GOV'T WATCH would like to get your comments or suggestions on it.
Please send your views and comments to GOV'T WATCH

VICE PRESIDENT SALVADOR H. LAUREL

DOY'S PRAYER

(Written on January 9, 2004, 18 days before his demise)

Dear God,

May I have meaningful work and meaningful activity in life.
I desire to wake up each morning and feel that I am used on behalf of something glorious.
I want to feel, no matter what my work, that I dispense blessing, love, forgiveness and kindness there to all I meet.
Help me to remember that You are the power.
May I not over-glorify merchandizing or money or business.
May my work be Yours.
May my work be Love.
Help me to remember that as I focus on the realm of Heaven, everything else will take care of itself.
Help me have faith, to know the universe shall take care of me as I take care of it.
In this moment, I am willing to put aside all small and worldless values.
In this moment, I am willing to let go my attachment to money, popularity, power, prestige, the things of the world that I do not need.
For I know that they are all illusions, and except as they are used by You, they lead me nowhere.
Thus shall I shine.
And as I shine and sparkle, I shall radiate a power to this world, not of this, and people will not fail to notice.
For I shall be as a star for a darkened sky.
I shall go to sleep knowing that I did as I have come here to do.
I shall be repaid by gratitude, shining in the eyes of my brothers.
Please shine in my heart.

Amen.

ACC-BMW's Glen Dasig
Romancing the auto industry

In the local automotive industry, there are a handful of individuals considered as naturals who were born to push the envelope. Glen Dasig is among the chosen few. After a baker's dozen years with the Ford Group, where he shared his expertise in several key departments both here and abroad – from customer service to finance, to sales and marketing – Glen made the move last year to Asian Carmakers Corp., the exclusive distributor and importer of BMW vehicles. Many industry insiders saw Glen's transfer as a key move for ACC, one that ensures its continued growth and leadership in a very competitive luxury car segment. In the following interview, Glen, now ACC's Executive Director for Sales & Marketing, shares how his romance with cars in general has blossomed into a colorful career in the automotive industry – one that has, apparently, just started 12 years after it had initially begun...
